

## Home Banking Login Information

Go to: [www.castpartsfcu.org](http://www.castpartsfcu.org)

- **Login ID** is your **Social Security Number** (no dashes)
- The **Security Code** initially is the **last four digits of your home telephone number**, after acceptance you will be prompted to change this code. Select a new code with at least two alpha and two numeric characters. It needs to be eight characters in length.
- You are responsible for any transfers you make.
- For cross account transfers, you are required to be an owner of the account.
- Please Note: You have the ability within Home Banking to change your Login ID and Security Code, as well as selecting a pass phrase for reset of a forgotten security code. To make these changes, login and then from the menu on the left select "Personal Options."
